EXAMINER'S AMENDMENT

1. An examiner's amendment to the record appears below. Should the changes and/or additions be unacceptable to applicant, an amendment may be filed as provided by 37 CFR 1.312. To ensure consideration of such an amendment, it MUST be submitted no later than the payment of the issue fee.

Authorization for this examiner's amendment was given in a telephone interview with James K. Folker on June 07, 2007.

The Application has been amended as follows:

In the claims:

Claim 7:

Lines 16-18, replace the claim limitation, "*wherein the first light guide plate is disposed in the first and the second light emitting areas, and the second light guide plate is disposed in only the first light-emitting area*" with "*wherein the second light guide plate is disposed in the first and the second light emitting areas, and the first light guide plate is disposed in only the first light-emitting area*".

REASONS FOR ALLOWANCE

2. The following is an examiner's statement of reasons for allowance:

As to independent **claim 7**, none of the prior art made of record teaches or suggests an illumination device for a liquid crystal display device, comprising a first light source unit including a first light guide plate and a first light source disposed at an end thereof, for mainly illuminating a first light-emitting area and supplying part of light to an adjacent second light-emitting area and a second light source unit laminated on the first light source unit and including a second light guide plate and a second light source disposed at an end thereof, for mainly illuminating the second light-emitting area and supplying part of light to the adjacent first light-emitting area, wherein the second light guide plate is
